**JOINDER IN DEFENDANTS' JOINT MOTION FOR DISCLOSURE  
AND PRODUCTION OF CONFIDENTIAL INFORMANTS, Doc. 722**

Greg Hill, by his undersigned counsel, hereby joins in the motion filed by the joint CJA defendants for Disclosure and Production of Confidential Informants on October 23, 2006, and would specifically add to facts and argument presented in that motion the following:

Mr. Hill is not facing the thirty years faced by Mr. Jarvis, but is facing a minimum mandatory sentence. He would also note to the Court that the identities of most or all of the cooperating witnesses are known to the defendants, from the statements produced and from other sources. Thus there is no government interest in protecting the identities of the witnesses. What is *not* known to the defense is the exculpatory information concerning these witnesses. Finally, to the extent it is not explicit from Item #3 sought by the joint defendants, Mr. Hill requests disclosure of any charges dropped, reduced, or not brought, against these cooperating witnesses.

Respectfully submitted,
